

Date: 16th September 2024

TO WHOM IT MAY CONCERN

This is to certify that **MOHAMED SAMEH MOSTAFA ELKHOLY** has done his internship in Front End Development using **Angular**, from **16th May 2024** to **16th September 2024**.

He has worked on a project titled **Katana**, which aimed at performing monitoring and reporting activities for telecom operators.

During the internship, he demonstrated good development skills and a self-motivated attitude to learn new things. His performance exceeded expectations, and he completed the tasks successfully and on time.

We wish him all the best in his future endeavors.

Warm regards,

Hani Ali Abdurrahman
SW Development Director
