Objective

As a software engineer, I have developed my skills through academic coursework and practical experience. Proficient in critical thinking and problem-solving, I am eager to apply my front-end and back-end expertise to contribute to a dynamic team and improve project outcomes.

Professional Experience

Angular Developer Intern

May 2024 - Sep 2024

Digis Squared &

Cairo, Egypt

Contributed to the front-end development of "KATANA", an advanced network performance management platform, using Angular for building responsive and dynamic user interfaces.

Laravel Developer Intern

Nafis Technologies &

Jul 2024 - Sep 2024

Cairo, Egypt

Engaged in hands-on training and development of projects using the Laravel backend framework, gaining comprehensive experience in building robust and scalable web applications.

Education

Informatics and Computer Science, Software Engineering

The British University in Egypt - London South Bank University (Dual Degree)

Sep 2021 - Jun 2025

Cairo, Egypt

Grade: B+ | GPA: 3.5
